Family Practice Physician

Axis Community Health is a nonprofit community health center that is growing rapidly in response to the exciting changes that are occurring in the healthcare arena. Axis's services include medical care, mental health counseling, behavioral health services and a WIC nutrition program. Axis has five sites that are located throughout eastern Alameda County and a sixth site, which will double Axis’s current capacity, will open in late 2014.

We are seeking a Family Practice Physician to work out of our Pleasanton clinic site.

This is a full-time salaried position.

For more information about Axis, visit us at: www.axishealth.org

Qualifications:

1. M.D. degree from a recognized University, one to two years experience working in primary care clinic setting.
2. Current valid California medical license in good standing and DEA.
3. Board certification preferred.
4. Expertise in family practice medical care.
5. Ability to keep accurate, clear and legible records.
6. Bilingual English/Spanish and/or other languages highly desirable.
7. Ability to interact effectively and in a supportive manner with persons of all backgrounds

Essential Duties:

Under the direction of the Medical Director:

1. Provide direct primary care medical ambulatory services to include examination, diagnosis, treatment, referral and follow-up of patients in primary care setting. Providing service to pediatric, family practice, prenatal, adult and general practice.
2. Educate patients regarding their diagnoses, treatment and prognosis.
3. Provide all services in accordance with accepted medical standards, organizational policies, contractual requirements, and in a manner that is responsive to the needs of all patients.
4. Maintain complete, accurate and legible medical records according to established protocols.
5. Participate in the 24-hour call schedule and provide appropriate medical triage according to established protocols.
6. Participate in peer review and meetings as assigned.
7. Perform other duties as assigned.
