

# Kids, Drugs and Alcohol

## A free workshop just for parents

Presented by: **axiscommunityhealth**

Get important information on the latest trends in drug and alcohol use by kids and teens, including:

- Vaping, dabbing, and alcopops- learn about current drug facts
- Ways to support your child in making healthy choices
- Upcoming changes in California's cannabis policies

**Wednesday, December 6**

**6:00 pm - 7:15 pm**

**Livermore Library - Room A**

**1188 S. Livermore Avenue, Livermore, CA 94550**

**Presenters:**

**Ariel Fuchs, Primary Prevention Health Educator at Axis Community Health**

Ms. Fuchs educates youth and families on health and wellness and currently works with Livermore students on healthy choices.

**Dr. Susan Guerrero, Psy.D., Licensed Clinical Psychologist and Substance Abuse Program Director at Axis Community Health**

Dr. Guerrero specializes in addiction treatment, neuropsychology, treating trauma, depression, and anxiety.

Registration is not required, although RSVPs are encouraged.
